## Professional Nail Treatments

### **Gel Nail Extensions - (1 – 2hrs) £35.00**

Assessment of nails and any polish removed. Nails are then shaped to the correct length, cuticle cream is applied and cuticles gently pushed back before hang nails and excess cuticles are removed. Correct nail tips are then chosen depending on shape required and then these are fastened to your own nail tip. Once these tips have been shaped and blended in an overlay of bonder is then applied to fix the nail tip securely and cured under UV Light. Gel is then applied and after second curing, bumps are then removed and nail blended again. Sealant then used as a permanent gloss topcoat and any tidying needed is used to complete this service. Nail polish can then be applied if desired.

### **Gel Nail Extensions - French Tips (2 - 3hrs) £45.00**

Assessment of nails and any polish removed. Nails are then shaped to the correct length, cuticle cream is applied and cuticles gently pushed back before hang nails and excess cuticles are removed. Correct nail tips are then chosen depending on shape required and then these are fastened to your own nail tip. Once these tips have been shaped and blended in an overlay of bonder is then applied to fix the nail tip securely and cured under UV Light. Gel is then applied and after second curing, bumps are then removed and nail blended again. French manicure polish is then applied. Sealant then used as a permanent gloss topcoat and any tidying needed to complete this service.

### **Gel Overlays - (1 – 2hrs) £25.00**

Assessment of nails and any polish removed. Prepare natural nail to length and shape of choice. Apply a thin layer of bonder and cure in light. Gel is then applied which is placed under light to cure, once cured shaped and smooth out. Then apply sealant, for a nice finish.

### **Infills - (1 – 2hrs) £25.00**

Depending on your nail type infills can be carried out every 3 – 4 weeks to maintain their upkeep. Prepare natural nail to length and shape of choice. Push back cuticles so you have a clean nail surface, soften nail and re-shape the nail. Re- gel and cure under light, shape and smooth out, apply sealant to end. Nail polish can be applied if desired.

### **Individual Nail Applications from £4.00**

## Professional Nail Treatments

### Manicure - (45 mins)

£15.00

Polish is removed and nails shaped, fingers are then soaked to soften cuticles, cuticle oil is applied and cuticles gently pushed back before hang nails and excess cuticles are removed, hand cream is then applied and a hand massage given before application of base coat and two coats of polish to complete your manicure

(Nails may be buffed instead of polished if preferred)

### French Manicure - (45 mins – 1 hr)

£20.00

Polish is removed and nails shaped, fingers are then soaked to soften cuticles, cuticle oil is applied and cuticles gently pushed back before hang nails and excess cuticles are removed, hand cream is then applied and a hand massage given before an application of base coat and French manicure polish applied to complete your manicure

### Deluxe Manicure/French Manicure - (1 hr)

£25.00

Polish is removed and nails are shaped, full hand and arm exfoliation, which will remove any dry skin. Fingers are then soaked to soften your cuticles; cuticle oil will then be applied to help with gently pushing cuticles back. A hand and arm massage will be given to relax you. A polish of your choice will be applied, including a base coat and top coat.

### Change of Polish - (20 mins)

£ 5.00

Old nail polish is removed and nails are soaked in preparation for application of new polish

### Manicure for Men - (30 mins)

£10.00

Nails are shaped and then fingers soaked to soften cuticles, if necessary, cuticles are treated before nails are buffed for a shiny finish to complete your manicure.
